Humana®

Thank you for being a Humana member

We believe the simplest way to help you feel your best is to do what's right by you. That means going above and beyond what you may expect. We call this human care, and it's one of the reasons millions* of people have chosen Humana for their Medicare Advantage plan.

We hope you would like to keep your current Humana plan. If so, you don't need to do anything; it will automatically renew on January 1, 2023.

Plan for the 2023 Medicare Annual Election Period

See how your plan is different. Review this Annual Notice of Changes (ANOC) document for changes to your medical coverage, prescription drug coverage, in-network pharmacies, and costs like premium, copays, deductibles and coinsurance.

Know that this document doesn't include all your benefits. The ANOC highlights plan changes but does not include a full list of your plan benefits. Starting October 15, see your 2023 Evidence of Coverage (EOC) at **[Humana.com/PlanDocuments](https://www.humana.com/PlanDocuments)** for a complete listing. See the back panel of this document for more instructions.

Keep your current Humana member ID card. Humana does not issue new ID cards each plan year for members choosing to remain on their current Humana Medicare plan. You will only receive a new ID card if the card's information changes or you select a different plan for 2023.

Starting on January 1, 2023, your Humana Value Plus H5216-176 (PPO) will be simpler because your drug coverage will be the same at all in-network retail pharmacies. This means that you'll have the same cost-share no matter where you fill your prescriptions as long as the retail pharmacy is in-network.

Annual Notice of Changes for 2023

You are currently enrolled as a member of Humana Value Plus H5216-176 (PPO). Next year, there will be changes to the plan's costs and benefits. *Please see page 6 for a Summary of Important Costs, including Premium.*

 - Review the changes to Medical care costs (doctor, hospital).
 - Review the changes to our drug coverage, including authorization requirements and costs.
 - Think about how much you will spend on premiums, deductibles, and cost sharing.
- ☐ Check the changes in the 2023 Drug List to make sure the drugs you currently take are still covered .
- ☐ Check to see if your primary care doctors, specialists, hospitals and other providers, including pharmacies will be in our network next year.
- ☐ Think about whether you are happy with our plan.

2. COMPARE: Learn about other plan choices

- ☐ Check coverage and costs of plans in your area. Use the Medicare Plan Finder at www.medicare.gov/plan-compare website or review the list in the back of your Medicare & You 2023 handbook.
- ☐ Once you narrow your choice to a preferred plan, confirm your costs and coverage on the plan's website.

3. CHOOSE: Decide whether you want to change your plan

- If you don't join another plan by December 7, 2022, you will stay in Humana Value Plus H5216-176 (PPO).
- To change to a **different plan**, you can switch plans between October 15 and December 7. Your new coverage will start on **January 1, 2023**. This will end your enrollment with Humana Value Plus H5216-176 (PPO).
- If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can switch plans or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

Section 1.2 - Changes to Your Maximum Out-of-Pocket Amounts

Medicare requires all health plans to limit how much you pay "out-of-pocket" for the year. These limits are called the "maximum out-of-pocket amounts." Once you reach this amount, you generally pay nothing for covered Part A and Part B services for the rest of the year.

Section 1.5 - Changes to Part D Prescription Drug Coverage

Changes to Our Drug Guide

Our list of covered drugs is called a Formulary or "Drug Guide." A copy of our Drug Guide is provided electronically. The Drug Guide includes many - but not all - of the drugs that we will cover next year. If you don't see your drug on this list, it might still be covered. **You can get the complete Drug Guide** by calling Customer Care (see the back cover) or visiting our website ([Humana.com/PlanDocuments](https://www.humana.com/PlanDocuments)).

We made changes to our Drug Guide, including changes to the drugs we cover and changes to the restrictions that apply to our coverage for certain drugs. **Review the Drug Guide to make sure your drugs will be covered next year and to see if there will be any restrictions.**

Most of the changes in the Drug Guide are new for the beginning of each year. However, during the year, we might make other changes that are allowed by Medicare rules. For instance, we can immediately remove drugs considered unsafe by the FDA or withdrawn from the market by a product manufacturer. We update our online Drug Guide to provide the most up to date list of drugs.

If you are affected by a change in drug coverage at the beginning of the year or during the year, please review Chapter 9 of your Evidence of Coverage and talk to your doctor to find out your options, such as asking for a temporary supply, applying for an exception and/or working to find a new drug. You can also contact Customer Care for more information.

Changes to Prescription Drug Costs

Note: If you are in a program that helps pay for your drugs ("Extra Help"), **the information about costs for Part D prescription drugs may not apply to you.** We sent you a separate insert, called the "Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs" (also called the "Low Income Subsidy Rider" or the "LIS Rider"), which tells you about your drug costs. If you receive "Extra Help" and you haven't received this insert by September 30, please call Customer Care and ask for the "LIS Rider."

There are four "drug payment stages." The information below shows the changes to the first two stages – the Yearly Deductible Stage and the Initial Coverage Stage. (Most members do not reach the other two stages – the Coverage Gap Stage or the Catastrophic Coverage Stage).

Changes to the Deductible Stage

Stage	2022 (this year)	2023 (next year)
Stage 1: Yearly Deductible Stage During this stage, you pay the full cost of your drugs until you have reached the yearly deductible.	The deductible is \$315 . During this stage, you pay \$7 cost-sharing for drugs on Tier 1 and the full cost of drugs on Tier 2, Tier 3, Tier 4, and Tier 5 until you have reached the yearly deductible.	The deductible is \$435 .

Changes to Your Cost Sharing in the Initial Coverage Stage

Stage	2022 (this year)	2023 (next year)
<p>Stage 2: Initial Coverage Stage Once you pay the yearly deductible, you move to the Initial Coverage Stage. During this stage, the plan pays its share of the cost of your drugs and you pay your share of the cost.</p> <p>The cost in these rows are for a one-month (up to a 30-day) supply when you fill your prescription at a network pharmacy. For information about the costs for a long-term supply; at a network pharmacy that offers preferred cost sharing; or for mail-order prescriptions, look in Chapter 6, Section 5 of your <i>Evidence of Coverage</i>. We changed the tier for some of the drugs on our Drug Guide. To see if your drugs will be in a different tier, look them up on the Drug Guide.</p>	Your cost for a one-month (up to a 30-day) supply at a retail network pharmacy:	Your cost for a one-month (up to a 30-day) supply at a retail network pharmacy:

SECTION 2 Deciding Which Plan to Choose

Section 2.1 - If you want to stay in Humana Value Plus H5216-176 (PPO)

To stay in our plan, you don't need to do anything. If you do not sign up for a different plan or change to Original Medicare by December 7, you will automatically be enrolled in our plan Humana Value Plus H5216-176 (PPO).

Section 2.2 - If you want to change plans

We hope to keep you as a member next year but if you want to change plans for 2023 follow these steps:

Step 1: Learn about and compare your choices

- You can join a different Medicare health plan,
- OR -- You can change to Original Medicare. If you change to Original Medicare, you will need to decide whether to join a Medicare drug plan. If you do not enroll in a Medicare drug plan, please see Section 1.1 regarding a potential Part D late enrollment penalty.

To learn more about Original Medicare and the different types of Medicare plans, use the Medicare Plan Finder (www.medicare.gov/plan-compare), read the *Medicare & You 2023* handbook, call your State Health Insurance Assistance Program (see Section 4), or call Medicare (see Section 6.2).

Step 2: Change your coverage

- To **change to a different Medicare health plan**, enroll in the new plan. You will automatically be disenrolled from Humana Value Plus H5216-176 (PPO).
- To **change to Original Medicare with a prescription drug plan**, enroll in the new drug plan. You will automatically be disenrolled from Humana Value Plus H5216-176 (PPO).
- To **change to Original Medicare without a prescription drug plan**, you must either:

- Send us a written request to disenroll or visit our website to disenroll online. Contact Customer Care if you need more information on how to do so.
- Or – Contact **Medicare**, at 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week, and ask to be disenrolled. TTY users should call 1-877-486-2048.

SECTION 3 Deadline for Changing Plans

If you want to change to a different plan or to Original Medicare for next year, you can do it from **October 15 until December 7**. The change will take effect on January 1, 2023.

Are there other times of the year to make a change?

In certain situations, changes are also allowed at other times of the year. Examples include people with Medicaid, those who get "Extra Help" paying for their drugs, those who have or are leaving employer coverage, and those who move out of the service area.

If you enrolled in a Medicare Advantage plan for January 1, 2023, and don't like your plan choice, you can switch to another Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without Medicare prescription drug coverage) between January 1 and March 31, 2023.

If you recently moved into, currently live in, or just moved out of an institution (like a skilled nursing facility or long-term care hospital), you can change your Medicare coverage **at any time**. You can change to any other Medicare health plan (either with or without Medicare prescription drug coverage) or switch to Original Medicare (either with or without a separate Medicare prescription drug plan) at any time.

SECTION 4 Programs That Offer Free Counseling about Medicare

The State Health Insurance Assistance Program (SHIP) is an independent government program with trained counselors in every state.

It is a state program that gets money from the Federal government to give **free** local health insurance counseling to people with Medicare. State Health Insurance Assistance Program (SHIP) counselors can help you with your Medicare questions or problems. They can help you understand your Medicare plan choices and answer questions about switching plans. You can call your State Health Insurance Assistance Program at the number listed in "Exhibit A" in the back of this document.

SECTION 5 Programs That Help Pay for Prescription Drugs

You may qualify for help paying for prescription drugs. Below we list different kinds of help:

- **"Extra Help" from Medicare.** People with limited incomes may qualify for "Extra Help" to pay for their prescription drug costs. If you qualify, Medicare could pay up to 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and coinsurance. Additionally, those who qualify will not have a coverage gap or late enrollment penalty. To see if you qualify, call:
 - 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048, 24 hours a day/7 days a week;

- The Social Security Office at 1-800-772-1213 between 8 am and 7 pm, Monday through Friday for a representative. Automated messages are available 24 hours a day. TTY users should call, 1-800-325-0778; or
- Your State Medicaid Office (applications).
- **Prescription Cost-sharing Assistance for Persons with HIV/AIDS.** The AIDS Drug Assistance Program (ADAP) helps ensure that ADAP-eligible individuals living with HIV/AIDS have access to life-saving HIV medications. Individuals must meet certain criteria, including proof of State residence and HIV status, low income as defined by the State, and uninsured/under-insured status. Medicare Part D prescription drugs that are also covered by ADAP qualify for prescription cost-sharing assistance through the ADAP program. For information on eligibility criteria, covered drugs, or how to enroll in the program, please call the ADAP program (the name and phone numbers for this organization are in "Exhibit A" in the back of this document).
